EXPERIENCE AN ALL INCLUSIVE RIVER CRUISE

Aboard Europe's Largest River Cruise Line

With 41 years as river cruise pioneers, CroisiEurope presents a diversified product choice for River/Canal/Ocean cruises from 4 to 19 days.

Navigating all European waterways along with the Mekong and our newest operation in Africa: an all-inclusive 9 day program, with the Chobe - Zambesi cruise on a luxury boat with only 8 cabins, private lodges and a Victoria Falls Safari.

Our programs include complimentary shore excursions, free Wi-Fi, onboard entertainment, and unlimited beverages (not just lunch & dinner) with superb French cuisine and impeccable service.

A CroisiEurope cruise experience is as beautiful and as rich in culture as they come with a wide-range of voyages to choose from, and with a fleet of 50 ships from 8 to 180 guests. Your next all-inclusive vacation may be just around the corner!
