## EXPERIENCE AN ALL INCLUSIVE RIVER CRUISE

With Africa's Newest Luxurious 9-day  
Land/Cruise Safari

With 41 years as river cruise pioneers, CroisiEurope presents a diversified product choice for River/Canal/Ocean cruises from 4 to 19 days.

Navigating all European waterways along with the Mekong and our newest operation in Southern Africa: an all-inclusive 9-day cruise safari program, navigating the Chobe and Zambezi rivers on a luxury boat with only 8 cabins, private lodges and a visit to Victoria Falls.

Our programs include complimentary shore excursions, free Wi-Fi, onboard entertainment, and unlimited beverages (not just lunch & dinner) with superb French cuisine and impeccable service.

A CroisiEurope cruise experience is as beautiful and as rich in culture as they come with a wide-range of voyages to choose from, and with a fleet of more than 50 ships from 16 to 180 guests. Your next all-inclusive vacation may be just around the corner!
