

THE GREATEST ADVENTURES ON EARTH

G Adventures small-group tours connect travellers to the world's greatest destinations in a way they simply couldn't achieve on their own. Each one has been designed to deliver must-do highlights, spontaneous situations, personal freedom, and under-the-radar encounters with local people. We believe that if you're not seeing the world as it truly is, you're not truly seeing it.

The G Difference

As small-group adventure travel pioneers, we've always done things a little bit differently. To us, there's no such thing as "outside-the-box" thinking because we don't believe in boxes. Check out just a few of the ways you'll see what we mean on a G Adventures tour.

- › Immersive activities (home-cooked meals, local transportation, homestays, cooking classes, market visits, etc)
- › Guided access to highlights
- › G adventures for Good project visits
- › Some included meals highlighting regional cuisine (street-food crawls, home-cooked feasts)
- › Diverse lineup of destinations
- › Average 12 travellers per group (maximum 16)
- › Chief Experience Office (CEP tour leader) throughout
