

# FEEL FREE TO DISCOVER THE LEI OF THE LAND.

Tropical rainforests. Aquamarine coves. Black-sand beaches. Hawai'i is as colorful and soul-stirring a destination as it gets. And there's no better cruise line to help you experience a vacation of volcanic proportions than Norwegian Cruise Line.

- Only Norwegian visits 4 of Hawai'i's most popular islands in 7 days with overnights in Maui and Kaua'i (and guests only have to unpack once!)
- Only Norwegian sails round-trip from Honolulu year-round, so island hopping paradise is easier than spotting a rainbow
- Only Norwegian offers an optional 4-day pre-cruise land based tour, so you can soak up history at Pearl Harbor and ride the waves at the famed North Shore
- Only Norwegian's Pride of America cruises along the stunning Nā Pali Coast, making for a magnificent backdrop for selfies
