

## Explore Germany by Train!

Get on track and take the train! Deutsche Bahn, Germany's national rail network, offers on-time efficiency, city center service and modern equipment. Rail Europe's many rail pass, ticket and city transportation options afford you the opportunity to discover all corners of this central European nation.

ICE, Inter-City Express, is the premier high-speed train that connects all major cities in Germany. Travel in comfort as you are whisked along landscapes dotted with romantic medieval castles and through dense forests that look as if they jumped off the pages of a Grimm's Fairy Tale. Experience ICE's first-class accommodations, complete with spacious seating, attentive service, and complimentary refreshments on select trains. View the passing scenery through expansive windows or relax by taking advantage of individual audio and visual services. Either way, you will be well-rested upon arrival to your new destination.
