SAVE UP TO \$588 PER COUPLE IN MEXICO!

Opening December 2nd, 2017, the new Hotel Riu Dunamar gives right onto the heavenly Costa Mujeres beach, on the continental side of Isla Mujeres, in Quintana Roo. The more than 700 rooms of the hotel are perfectly appointed with the best amenities, such as air conditioning, a minibar and beverage dispensers. You'll find five outdoor swimming pools with lounge chairs and umbrellas for you to relax in the warm Mexican climate. And if you wish, you can visit the beach and practice water sports such as kayaking and snorkelling. Riu Dunamar offers countless services for you to enjoy during your stay: the best daytime and night-time entertainment programmes, live shows and music, the RiuLand Kids' Club for the youngest members of the family, and the RiuFit programme, ideal for more athletic guests. And if what you need is a relaxing experience, we suggest the sauna and jacuzzi at the Renova Spa, where you also have the option of scheduling hairdressing, beauty and massage treatment to return from your holiday feeling brand new. Costa Mujeres is the perfect destination for a holiday in paradise thanks to its white sandy beaches and crystal clear waters. But if you would like to visit the area's landmarks, we recommend you visit the Isla Mujeres sea turtle conservation centre, the Kukulkán pyramids at Chichen Itzá, and the archaeological ruins of El Rey.
