Renewal of Vows at Half Moon Cay

Guests that visit Half Moon Cay, the company's own island paradise, on Holland America Line Caribbean and Panama Canal cruises may renew their wedding vows on the island in a private, traditional Bahamian chapel nestled in a garden overlooking the sea. This is a more casual ceremony than on board and participants are encouraged to wear their favorite tropical attire. Champagne and cake are served after the ceremony. Each couple is photographed on the island and the photo is delivered to their stateroom in a souvenir frame. Arrangements for renewal of vows at the chapel may be made through the Guest Relations Manager at the Front Office on board the ship.
