

FLY TO CRUISE SALE

Small Ships, Big Adventures

- Up to \$1,000 Air Credit
- Up to 20% off

Sustainability and exploration are the very core of the Hurtigruten experience. Journey with us aboard our fleet of small ships and the first hybrid battery-powered cruise ships. Savor locally sourced, sustainable cuisine, and immerse yourself in the amazing landscapes, rare wildlife, and unique cultures.

Book by June 28, 2022 and receive up to \$1,000 in air credit and save up to 20% per person on select 2022-2024 expedition cruises.

Pictured above is Hurtigruten Group's CEO, Daniel Skjeldam. Hurtigruten is the first major travel company to have removed single-use plastic from its entire fleet and hotels.

*The offer applies to select cabin categories on select departures and is valid for new, individual bookings only. All offer savings and air credits are applied as a discount to the cruise portion of the package only, and displayed 'from' prices are per person based on double occupancy, in USD (\$), and include taxes, fees, and port expenses. In order to receive the air credit, roundtrip flights must be booked through Hurtigruten. Contact Hurtigruten in order to book your flights beginning 11 months before your cruise's return date. Due to airline schedules, flights may be direct or connecting. Savings and the air credit are subject to availability and may be withdrawn at any time without notice. Offer may be combinable with other promotions; contact your travel advisor for full details. Other restrictions may apply. Offer is valid April 1 - June 28, 2022.
