

WELCOME TO AN URBAN RESORT IN THE HEART OF THE WEST END.

Individual, intimate, eclectic, and curated; yet staggering in scale, The Londoner is a new hotel category of one. A perfectly engineered collection of spaces, tastes and textures brought to life over 16 storeys on London's legendary Leicester Square. The Londoner is home to 350 exquisite bedrooms and suites, six concept eateries and bars, including a rooftop lounge and tavern, a private guest residence, an urban wellness retreat, seven inspiring meeting spaces and a stunning ballroom for up to 850 guests.

The Londoner is a member of Preferred Hotels & Resorts' prestigious Legend Collection.

We look forward to welcoming you to the heart of the West End, where Londoners have come to enjoy the best of culture, art, dining and entertainment for centuries.

What sets The Londoner apart from other neighbouring hotels is something we call 'super boutique'. Whilst the size and facilities imitate that of an urban resort, the Yabu Pushelberg design, the curated art collection and exquisite furnishings bear the hallmarks of an intimate boutique hotel. This, combined with a curated programme of in-hotel events, means there's a constant murmur of life, be it from a live music performance, an art workshop on the rooftop, or a fitness class in the lofty courtyard. Strong partnerships with institutions such as Royal Academy and V&A also grant guests access to London's premier experiences on the culture and arts scene.

Two features fundamental to The Londoner experience are The Residence and The Retreat. Guests are granted access to three private spaces within The Residence, including a secret, green velvet whisky parlour accessed via the powder rooms. Each room has a unique personality and a multitude of purposes, where guests can eat, drink, work, relax and enjoy the art of British hospitality, as well as complimentary antipasti, soft drinks, tea and coffee throughout the day.

The Retreat is an entire floor dedicated to wellness, where guests have access to a pool surrounded by secluded cabanas, treatment rooms, 24-hour gym, hair salon, nail bar, gentlemen's barber, as well as a superfood bar, serving nutritious food and drink. The Retreat truly is London's ultimate escape for all health and beauty needs.

THE DINING SCENE

The Londoner's restaurants and bars reflect the city's eclectic dining scene. Elegant Japanese cuisine features alongside a contemporary take on the French Mediterranean. Bright and airy spaces for breakfast and brunch contrast intimate cocktail and Champagne bars, whilst the rooftop sets the scene for spectacular gazing and grazing.

8 AT THE LONDONER

Welcome to a decadent izakaya rooftop bar that reimagines the traditions and informal style of Japanese drinking establishments. Three stunning spaces set the scene for an unforgettable evening of innovative cocktails, fine Japanese spirits and modern Japanese cuisine.

WHITCOMB'S

The Londoner's signature restaurant is a place where light, artistic surroundings meet cuisine led by exclusive, seasonal ingredients. Welcome to a corner of the French Mediterranean, with a wine list exploring the terroirs of France and beyond.

THE STAGE

Step into the limelight of The Stage, where the drama unfolds with a spectacular programme dedicated to Champagne and life's great delights.

JOSHUA'S TAVERN

A homage to Sir Joshua Reynolds, 18th century portrait artist and former Leicester Square resident, this neighbourhood gin and beer tavern serves terroir-led Gintonicas, a refreshing tank beer selection, and smaller bites from our contemporary Bill of Fare.

Set on the south west corner of Leicester Square, guests enjoy the perfect launchpad from which to explore each of the capital's unique neighbourhoods. By putting our hands in the earth and building a hotel experience on one of London's most iconic squares, The Londoner has stitched itself into the fabric of London to reflect the truly brilliant collisions, contradictions and juxtaposition of this extraordinary city.
