## Welcome

As a TRAVELSAVERS and NEST member, you have access to the TSA Hotel Program. This added benefit gives you access to over 51,000 hotels worldwide—including more than 6,100 extended stay properties and over 1 million serviced apartments—across 9,000+ cities in more than 190 countries. When booking properties in the TSA Hotel Program, you can expect up to 15% commission and up to 25% off BAR. It also means that you have the power of a strong hotel program backing you with all of your clients' hotel requests.

This Hotel Supplier Guide was put together to highlight some of our hotel supplier partners, and provide useful information on what they have to offer. You will find information about loyalty programs, discounts, travel advisor rates, direct booking instructions, and more.

Enjoy using this Hotel Supplier Guide throughout the year!
