2026 GDS RESERVATION INSTRUCTION BOOKLET

► 2026 TSA Hotel Program

The 2026 TSA Hotel Program continues to provide Preferred Rates at more than 51,000 select hotels worldwide. In addition to our TRAVELSAVERS PREFERRED rate code, TSA, you will also find our TRAVELSAVERS DEALS rate code, TS8, which offers unique TRAVELSAVERS rates, pre-paid rates and other restricted rates that you may want to book for your clients.

The TRAVELSAVERS Preferred Hotel Program includes major hotel chains, small boutique chains, plus a vast number of independent hotels around the world. From economy to luxury, the TRAVELSAVERS Preferred Hotel Program allows you to meet all your travelers' hotel needs with a diverse cross-section of over 100 leading hotel brands in more than 9,000 cities, in over 190 countries.

Book Using Rate Code TSA Or Rate Code TS8 in the GDS for Commissionable Rates!

► Program Benefits

The TSA Hotel Program provides great benefits to members, including:

- Commissions at over 51,000 hotels offering last room availability and least restricted rates
- Discounts off BAR in over 30% of hotels in the program
- Education on brands through on-demand webinars
- Contests, FAMs and more

Today's travelers most request these provided amenities:

- 91% of hotels include Wi-Fi in the negotiated rate
- 52% include breakfast in the negotiated rate
- Plus room upgrades, late check-out, fitness centers and more

NO GDS? BOOK IN TRIPXPRESS!

If you're a travel advisor that does not have direct GDS access, then tripXpress is your answer. tripXpress is an online, complete booking solution for advisors who want to book hotel, cruise, tour, activities and more for their clients. Access tripXpress through the TRAVELSAVERS Agent Extranet: <https://agents.travelsavers.com>.
