SECOND NATURE

HotelREZ is proud to present Second Nature hometels

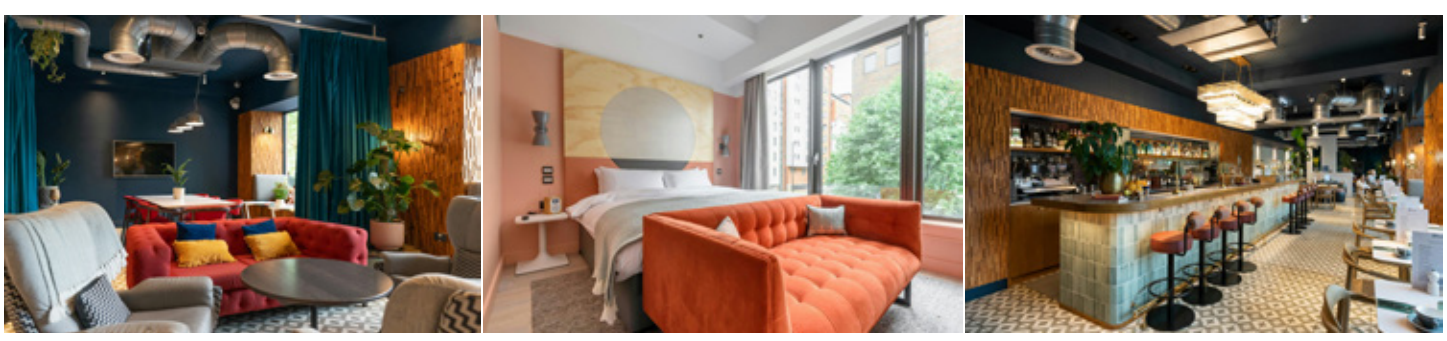

Second Nature hometels bring together the comfort and flexibility of home with the best elements of a hotel stay. Whether staying for a short break or an extended visit, guests can enjoy thoughtfully designed spaces that allow them to live, work, relax, and connect in a way that feels natural and welcoming for the whole family.

Sustainability is a key focus across the Second Nature portfolio, with a strong commitment to reducing environmental impact through responsible operations, energy efficiency, and continuous innovation. The brand invests in measures that support carbon reduction, resource conservation, and long-term environmental stewardship, while maintaining high standards of guest comfort. Through transparent reporting and measurable targets, Second Nature continues to demonstrate its progress in creating a more sustainable hospitality experience, helping to support a more responsible future for travel.
