

YOUR SUMMER ADDRESS ON THE HILL

Step out your front door and spot the dome. At Capitol Hill Hotel, summer mornings begin with a borrowed bike, a breeze through tree-lined streets, and a plan to wander: the Supreme Court, the Sculpture Garden, or Eastern Market's weekend stalls. Our suites offer kitchenettes, closets with room to unpack, and space to settle in between meetings or museum visits.

No matter the itinerary, we make coming home the best part of every outing.
